

Audris Mockus

Software Technology Research Department
Avaya Labs Research
233 Mt. Airy Road
Basking Ridge, NJ 07920.

Phone: +1 908 696 5608
Fax: +1 908 696 5608
Email: audris@research.avayalabs.com
<http://mockus.org/>

Personal

Born July 14, 1964; in Kaunas, Lithuania
Lithuanian Citizen; US permanent resident
Home Address: 94 Tulip St, Summit, NJ 07901-3413
Home Telephone: +1 908 918 0441

Education

Ph.D. (Statistics), 1994, Carnegie Mellon University
M.S. (Statistics), 1991, Carnegie Mellon University
B.S. (Automatic Control), 1988,
Moscow Institute of Physics and Technology

Positions

Avaya Labs Research, Software Technology Research Department,
Basking Ridge, NJ 2001- Research Scientist

Bell Laboratories, Software Production Research Department,
Naperville, IL 1995-2001 Member of Technical Staff

Carnegie Mellon University, Dept. of Statistics,
Pittsburgh, PA 1994-1995 Visiting Assistant Professor

Carnegie Mellon University, Dept. of Statistics,
Pittsburgh, PA 1990-1994 Teaching and Research Assistant

Institute of Mathematics and Informatics,
Vilnius, Lithuania 1988-1990 Research Fellow

Kaunas University of Technology,
Kaunas, Lithuania 1989-1990 Teaching Assistant

Computer Center of the Academy of Sciences of the U.S.S.R.,
Moscow, Russia 1985-1988 Research Assistant

Recognition

Most influential paper of International Conference on Software Engineering 2000. Selected by a specially constituted committee of ICSE 2010 using a range of indicators of influence, impact, and significance.

Ranked ninth on the list of the top software engineering scholars in the peer reviewed article in Communications of the Association of Computing Machinery, 2007.

First International Workshop on Emerging Trends in FLOSS Research and Development, 2007, best paper award.

International Conference on Software Engineering, 2000, best paper award.

International Conference on Software Maintenance, 2000, best paper award.

Patents

1. Kenneth Cox, Stacie Hibino, Lichan Hong, Audris Mockus, and Graham Wills. A method for graphically displaying an overview. Patent, filed on August 24, 2000.
2. Kenneth Cox, Stacie Hibino, Todd Graves, and Audris Mockus. Visualization with multiple levels of interaction in context. Patent, filed on April 24, 2000.
3. Audris Mockus. Aggregation eye interface method and apparatus. Patent, filed on March 12, 1999.
4. Audris Mockus, Todd Graves, Steven Eick, and Alan Karr. System and method for interactive visualization, analysis and control of a dynamic database. US Patent 5937064, granted on August 10, 1999.

Professional

Program Co-Chair, Second International Conference on Global Software Engineering, Munich, 2007.

Program Co-Chair, Tenth International Symposium on Software Metrics, Chicago, 2004.

Co-Organizer, ICSE Workshop on Socio-Technical Congruence, 2008,2009

Co-Organizer, 1st International Workshop on Mining Software Repositories, Edinburgh, Scotland, 2004.

General chair, MSR'10, Cape Town, South Africa 2010.

Editorial board, IEEE Transactions on Software Engineering 2005-2009.

Editorial board, International Journal of Empirical Software Engineering 2002-.

Member, Program Committee, 4-th International Symposium on Empirical Software Engineering and Measurement, Bolzano-Bozen, Italy

Member, Program Committee, International Conference on Software Engineering, Cape Town, South Africa 2010.

Member, Program Committee, 6th IEEE Working Conference on Mining Software Repositories, Vancouver, Canada, 2009

Member, Program Committee, 4th International Conference on Global Software Engineering, Limerick, Ireland 2009.

Member, Program Committee, International Workshop on Defects in Large Software Systems, Chicago, USA, 2009

Expert Review Committee, Canada Foundation for Innovation, 2009.

NSF review panel, 2008.

Member, Program Committee, 5th Working Conference on Mining Software Repositories, Leipzig, Germany, 2008.

Member, Program Committee, Third International Conference on Global Software Engineering, Bangalore, India 2008.

Member, Program Committee, International Conference on Empirical Software Engineering and Measurement, Kaiserslautern, Germany, 2008.

Member, Program Committee, International Workshop on Defects in Large Software Systems, Seattle, USA, 2008.

Member, Program Committee, 4th International Workshop on Mining Software Repositories, Minneapolis, USA, 2007.

Member, Program Committee, International Conference on Empirical Software Engineering and Measurement, Madrid, Spain, 2007.

Member, Program Committee, 3rd International Workshop on Mining Software Repositories, Shanghai, China, 2006.

Member, Program Committee, International Conference on Software Engineering, 2006.

Member, Program Committee, 2nd International Workshop on Mining Software Repositories, St. Lois, Missouri, USA, 2005.

Member, Program Committee, 11th International Symposium on Software Metrics, Como, Italy, 2005.

Member, Program Committee, 6th International Conference on Product Focused Software Process Improvement, Oulu, Finland, 2005.

Member, Program Committee, Third International Workshop on Global Software Development, Edinburgh, Scotland, 2004.

Member, Program Committee, Third International Symposium on Empirical Software Engineering, Redondo Beach, CA, 2004.

Member, Program Committee, Ninth International Symposium on Software Metrics, Sydney, 2004.

Member, Program Committee, Second International Symposium on Empirical Software Engineering, Rome, 2003.

Member, Program Committee, Ninth International Symposium on Software Metrics, Sydney, 2003.

Member, Program Committee, First International Symposium on Symposium on Empirical Software Engineering, Nara, 2002.

Member, Program Committee, Eighth International Symposium on Software Metrics, Ottawa, 2002.

Member, Program Committee, Seventh International Symposium on Software Metrics, London, 2001.

Member, Program Committee, International Conference on Software Maintenance, San Jose, California, 2000.

Member, Program Committee, Sixth International Symposium on Software Metrics, Boca Raton, Florida, 1999.

Member, International Software Engineering Research Network, representative for Avaya.

Member, IEEE, IEEE Computer Society.

Member, American Association for the Advancement of Science.
